

# Seafood Quality and Safety: A Practical Workshop for Environmental Health Specialists

## May 4, 2022

**Cheney Brothers / Southern Foods**

**407 Westcliff Rd Greensboro, NC**

*Sponsored by the Environmental Health State of Practice Committee*

**OBJECTIVES:** This is an intensive, one-day workshop for local EHS staff aimed at providing the most up to date information regarding specific areas of seafood safety that you are likely to encounter in the field. Topics will cover shellfish tags/labeling, common seafood illnesses, identifying various seafood products and evaluating their quality, and many more. Cheney Brothers has graciously offered to host the workshop at their brand new, state of the art facility!

**Target Audience:** EH Specialists

**CREDIT:** 5.5 CE's      *Lunch Provided!!*

**Environmental Health Specialists (EHS):** Application will be made to the N.C. State Board of Environmental Health Specialist Examiners for 5.5 **hours** of continuing education credit.
