

**CONSENT / REFUSAL FORM**

I, the undersigned, am the *owner/tenant* of the property located at -----

-----  
and I hereby *consent to / refuse* a lead investigation of the property by the Health Department and the Department of Environment and Natural Resources.

I understand that a full lead investigation will be done and that the investigation may involve taking X-ray fluorescence readings, water, dust, soil and paint chip samples.

I understand that an investigation report will be written and a copy of the report will be provided to the owner and me, if different from the undersigned

I understand that upon sale or lease of the property, the owner must disclose the presence of known lead -based paint and /or lead-based paint hazards.

I also understand that the investigation report is considered a public record and is, therefore, subject to disclosure by the Health Department upon request.
